SUMMARY

Discipline and Adaptable Software Engineering Student seeking for job opportunity in on organization where I can get my hand on experience and improve my skillset by working with a team of professionals.

EDUCATION

DECEMBER 2021

BS-SOFTWARE ENGINEERING, JINNAH UNIVERSITY FOR WOMEN

SEPTEMBER 2017

INTERMEDIATE-COMPUTER SCIENCE, SIR SYED GOVT.GIRLS COLLEGE

MARCH 2014

MATRICULATION-COMPUTER SCIENCE, FALCON HOUSE GRAMMAR SCCHOOL

ACHIEVEMENTS

EMOTION RECOGNITION IN E-LEARNING, JINNAH UNIVERSITY FOR WOMEN

Emotional Recognition in E-Learning is a Mobile APP and Web Based system that detect and analyze Humans Face and show their Emotions in Real Time. This system is based on Deep Learning Algorithm and interface is design using **HTML CSS JavaScript** etc.

KARACHI TOUR GUIDE, JINNAH UNIVERSITY FOR WOMEN

This **website** makes it easy to find and meet local **tourist** attractions and Restaurants. This website is designed using **HTML & CSS** and **Sublime** IDE is used for Coding.

RIVERLAND FARM MANAGEMENT SYSTEM, JINNAH UNIVERSITY FOR WOMEN

This Website and Prototype of this website and APP deals with the sale and purchase of Farm Fresh Vegetables, Poultry, Fruits etc.

This website is made Using IDE called **NetBeans**. **Java** is used for Coding. The prototype is made using **JUST IN MIND**.

KITCHEN PHILOSOPHY, JINNAH UNIVERSITY FOR WOMEN

This Website Deals With Food Written Recipe's and Videos.

This website is designed using **HTML & CSS** and **Sublime** IDE is used for CODING.

SKILLS

- Adaptable.
- Programming Skills(C, JAVA)

- Discipline.
- Time Management.
- WordPress.

,Python)

- Computer Skills (MS Office MS Visio MS Project).
- Email Scrapping.

CERTIFICATES

- Certificate from JUW for Contribution in Business Snapshot and Expressions.
- Certificate of Participation at FAST NUCES Event PROCOM.
- Certificate of SEO Course from Coursera.
- Certificate of Graphic Designing Course by DigiSkills.
- Certificate of WordPress Course by DigiSkills.
- Certificate of Participation at JUW Event JTECH.
- Certificate of Participation at Inter School Throw Ball Event.
- Certificate of Participation of Supply Chain Management for Engineers Webinar by IEEE.
- Certificate of Freelancing Course by DigiSkills.

ACTIVITIES

- Participation at FAST NUCES Event PROCOM.
- Participation at JUW Business Snapshot and Expressions Event.
- Participate at JUW Event JTECH.
- Participation at Inter School Throw Ball Event

Looking for a good opportunity at growing company. Aiming to parlay my analytical skills and attention to detail to further develop my abilities in the field of computer science.

SEMESTER PROJECTS

WEB ENGINEERING

VISUAL STUDIES DEPT'S PROJECTS WEBSITE | JUW

-This website is based on the creative work of the visual studies students of Jinnah University for Women. Main motive is to market their products so everyone can easily approach it and can buy them according to their choices. Created by using HTML, CSS, Bootstrap, PHP, JavaScript, MySQL.

PROGRAMMING FUNDAMENTALS

ONLINE FOOD ORDERING SYSTEM

-The system designed in this project enable customers to go online and place order for their food. This system is created by using Python.

LINEAR ALGEBRA

IMAGE COMPRESSION

-In this project we use K-mean clustering algorithm to reduce the size of images. It aims to minimize the distance from every data point to the cluster in each clusters. Created by using MATLAB.

DATABASE SYSTEMS

AIRLINE MANAGEMENT SYSTEM

-This system is used to retrieve and contains information about all flights with their available seats, airline schedules, passenger reservations and ticket records. To create this system, we've used Microsoft Access.

INTRODUCTION TO INFORMATION & COMMUNICATION TECHNOLOGY

TRAVEL AGENCY WEBSITE

- This website is created by using HTML, CSS, Bootstrap and JavaScript.

CERTIFICATIONS

PYTHON DATA STRUCTURE FROM UNIVERSITY OF MICHIGAN

-Through Coursera

PYTHON BASICS FROM UNIVERSITY OF MICHIGAN

-Through Coursera

WEB DESIGNING

-From Farooq e Azam IT Institute

EDUCATION

JINNAH UNIVERSITY FOR WOMEN | NAZIMABAD

-BACHELOR OF COMPUTER SCIENCE

MAJOR COURSES

Programming Fundamentals, Object Oriented Programming, Data Structures and Algorithms, Database Systems, WEB Engineering, Operating Systems, Data Communication and Networks, Design and analysis of algorithms, Mobile Application Development, Artificial Intelligence.

GOVT COLLEGE FOR WOMEN | NAZIMABAD

-HSC IN COMPUTER SCIENCE

SKILLS

- **TOOLS** Sublime, WordPress, Wireshark, MATLAB, MS Office
- **PROGRAMMING LANGUAGES** Python, JavaScript, JQuery, PHP, XML, JSON, HTML, CSS, Bootstrap, C, Java (OOP)
- **DATABASES** SQL Server, MySQL
- **OPERATING SYSTEMS** Windows, Ubuntu

PROJECTS

Quiz Game In C++

SKILLS

Hard skills

Android studio development:

- Expertise in software systems like Java
- Knowledge of android SDK concepts
- Understanding of XML basics
- Back-end programming
- Knowledge of Material design guidelines

Software quality assurance (SQA):

- knowledge about SDLC and STLC
- An understanding of software QA methodologies, tools, and processes
- Knowledge of SQL and scripting
- Knowledge of various QA Testing tools
- Design and execute systems to check for issues
- Document test cases
- Research and analyze product features being tested
- Research new tools,

Website On World Best Resort In Html And Css

Rent A Car System In Oop

Hotel Reservation In Python

Rain Water Indicator In Electronic

Website On Food-Recipes Using Just In Mind

Train Reservation Using Database

Kitchen Philosophy Using Php, Javascript,Css,Html,Bootstrap

Bmi Calculator In Android Studio

Todo List In Android Studio

Final year project:

Emotion recognition in E-learning

(Desktop app and mobile app)

technologies, and testing processes

- Review user interfaces for consistency and functionality

Operating Systems : Windows 7, 8, 10

Language : C, Java,python

Databases : SQL
Server,firebase

Soft Skills:

- Communication skills
- Ability to work as part of a team
- Time management skills

STRENGTHS

Strategic Thinker

Able to manage multiple priorities against a shifting backdrop of information

Tech Savvy

I can quickly dive into the details while keeping a mind for the big picture.

sohamubashir196@gmail.com | (+92) 3362051445 | www.linkedin.com/in/soha-mubashir-196r

EDUCATION

- ❖ BS in Computer Science | Jinnah University for Women, Karachi (Jan '18 - Dec '21)
- ❖ XII (HSC) | Sir Syed Government Girls College, Karachi 2017

PROFESSIONAL DEVELOPMENT

- ❖ **Django For Everybody | freeCodeCamp**
Used this online learning platform to gain advanced knowledge in python web framework. Developed skills in Django Authentication, Signals, REST API for creating high-end dynamic web applications
- ❖ **React JS | Interns.pk**
Used this course to gain some basic knowledge in the front-end development for building user interfaces for single-page applications
- ❖ **UI/ UX Specialization | Coursera Specialization**

PROJECTS

- ❖ **MinBlog – A DBMS based Mini Blog**
An end to end database focused Mini Blog for displaying information, user registration, manage posts and also track user's IP Address – SQLite, Django, HTML, CSS and Bootstrap.
- ❖ **EasyRapidChat – Real-time Chat App**
A real-time Chat App using Django and Ajax.
- ❖ **Weather Detector – API based weather application**
A Weather API based application for real time weather information using Django
- ❖ **CATMD – Final Year Project**
A web application based on Community Algorithm for analyzing human users in media community and their interaction level – Using Php and Maria DB

SKILLS

- ❖ HTML, JAVASCRIPT, CSS, SQL,
- ❖ Python Django
- ❖ React JS

UNIVERSITY PROJECT

E-CLINIC, FINAL YEAR PROJECT

E-Clinic helps to automate clinic management activities such as patient management, staff. Management, inventory management, Online appointments and reports management. It helps to reduce paper work. The record of patients is prepared so the patient details never lost and can be retrieved easily. It allows a patient to take online appointment. The patient also gets reminder of appointment in this way a patient never miss appointment. The staff attendance is also managed By the admin of the system. The doctor can upload the reports of patient which can be access by Patients.

EDUCATION

JAN 2018 — DEC 2021

BS IN SOFTWARE ENGINEERING, JINNAH UNIVERSITY FOR WOMEN

SEP- 2017

INTERMEDIATE IN PRE-ENGINEERING, HAROON BAHRIA INTERMEDIATE COLLEGE FOR BOYS AND GIRLS

APRIL- 2015

MATRICULATION IN SCIENCE, E.A.B PAKISTAN NAVY SECONDARY SCHOOL

TRAININGS / INTERNSHIPS

1 FEB, 2021 – 16 MAR, 2021

ONLINE INTERN, INTERN PAKISTAN

This was a 4 weeks internship. And in this time period, I have worked on html, css, JavaScript, php and at the end, a short WordPress website submitted as a project.

PROJECTS

CREATIVE HUB, FINAL YEAR PROJECT(DATES FROM – TO)

Creative hub is a web and mobile based application. We aim to provide platform for amateurs, local designers, and local painters and house wives. We offer freelancing service in the area of artwork, show up yourself with your skills and select the specific area of interest as per your choice we provide the platform to make you identifiable with your skills and artistic skills. Creative hub is a platform for them to easily out their work even after their fresh graduation because getting job for fresher is difficult.

WEBSITE OF VACATION RENTAL, UNIVERSITY (LAB PROJECT)

WEBSITE OF RESTAURANT GUIDE OF KARACHI, UNIVERSITY (LAB PROJECT)

WATER LEVEL INDICATOR, UNIVERSITY (LAB PROJECT)

SKILLS

- HTML5/CSS3, Bootstrap, JavaScript, PHP
- MS Office(Word, Excel, PowerPoint, Project)
- Adobe Photoshop, Adobe XD
- WordPress
- Web Design and Development
- Java, C, Python (Beginner), SQL

ACTIVITIES

- Taking IEEE Webinars

CERTIFICATION

- Certificate from Online intern, intern pakistan'2021
- Certificate from JUW For contribution in JTECH'2021
- Certificate from JUW For contribution in J-Ideas'2021
- Certificate from JUW For contribution in JTECH'2020
- Certificate from Singapore For contribution in IEEE festival'2020
- Certificate from JUW For contribution in International Conference On Biological Research And Applied Science'2021
- Introduction to Search Engine Optimization, coursera'2020
- Responsive Website Basics Code with HTML, CSS, and Javascript, coursera'2020
- Security and Privacy for Big Data, coursera'2020
- Introduction to HTML5, coursera'2020
- Requirements Specifications: Goals and Conflict Analysis, coursera'2020
- Certificate from JUW For contribution in Women In Computing'2019
- Certificate from JUW For contribution In Business Snapshot and Expressions'2019
- Completed the training in GRAPHIC DESIGN course under DigiSkills Training Program Batch-08 Oct 2020-Jan 2021
- Certificate of completion PLC and HMI Training for Beginners from AUTOMATION PLAY'2020

HIRA RAEES KHAN

CAREER OBJECTIVE

A self-motivated and hardworking student seeking an internship position that will allow me to explore career options in the IT sector and broaden my learning horizon.

EDUCATION

APRIL 2022 [EXPECTED]

BACHELOR'S DEGREE, JINNAH UNIVERSITY FOR WOMEN

I am currently enrolled in Software Engineering Bachelor's degree program.

SEPTEMBER 2017

INTERMEDIATE (HSC), ST. LAWRENCE GOVERNMENT DEGREE COLLEGE

I have chosen Pre- Engineering which comprises of Physics, Chemistry and Mathematics as major subjects.

JULY 2015

MATRICULATION (SSC), ST. JOSEPH'S CONVENT SCHOOL

I have passed with A-One grade in Computer Science as my major.

INTERNSHIPS

JUNE 1, 2021 – JULY 31, 2021

UI/UX DEVELOPER INTERN, WOATI LABS

I have learned to effectively understand business requirements, create user persona, user stories and translate them into interactive user-friendly designs. I have created a corporate website as a final project to implement my knowledge gained during the internship.

TRAININGS

FEB 2020 – APR 2020

GRAPHIC DESIGNING COURSE, DIGISKILLS TRAINING PROGRAM

I have learned to use graphic designing tools like Adobe Photoshop and Adobe Illustrator through hands-on projects.

NOV 2019 – JAN 2020

WORDPRESS COURSE, DIGISKILLS TRAINING PROGRAM

I have learned to develop website using WordPress through hands-on projects and application of SEO.

NOV 2019 – JAN 2020

FREELANCING COURSE, DIGISKILLS TRAINING PROGRAM

I have learned about different freelancing marketplaces and how to strive within them.

PROJECTS

All the projects mentioned below are made as a part of university's course/ degree requirement.

FEBRUARY 2021 – JANUARY 2022 [EXPECTED]

PAINT NEST, FINAL YEAR PROJECT

Paint Nest is a Business to Consumer (B2C) E-commerce paints website and Android mobile application specifically catering to local paint industry and its consumers in Karachi. It is implemented using ASP.NET C# and Android Studio.

JUNE 2020 – OCTOBER 2021

POSTERS DESIGNING FOR 2020-21 IEEE JUW SATURDAY WEBINAR SERIES, VOLUNTEERING PROJECT

IEEE JUW SATURDAY WEBINAR SERIES is a series of webinars by IEEE JUW Student Branch and IEEE JUW WIE Student Chapter which was started in June 2020 and taking place at every Saturday. A wide variety of topics have been presented by speakers from all around the world. I have designed posters and other promotional materials for this webinar series.

APRIL 2018 – AUGUST 2020

KARACHI TOUR GUIDE, SEMESTER PROJECT

A website implemented in HTML, CSS and JavaScript.

RIVERLAND FARM MANAGEMENT SYSTEM, SEMESTER PROJECT

A Management System implemented in Core Java using NetBeans IDE.

A dynamic prototype of website and mobile app using JustInMind software.

A database management system implemented on MS Access.

SunLe, SEMESTER PROJECT

A music streaming website implemented using HTML, CSS, Bootstrap, JavaScript and PHP

SKILLS

- Web development- HTML, CSS, XML, JavaScript, Bootstrap, PHP, WordPress, ASP.NET C#
- Database Systems - MS SQL, MS Access, MySQL
- Adobe Photoshop, Adobe Illustrator
- Mobile App Development- Native Android Mobile app development using JavaScript through Android Studio

ACTIVITIES

- I was a student member of IEEE JUW Student Branch and IEEE JUW WIE Student Chapter of my university (2020-2021). I had volunteered in many activities conducted by the branch as a part of event organizing team. Following are the leadership positions I held in the Executive Committee of the branch during my membership tenure:
 - Chair, IEEE JUW Student Branch (2020-2021)
 - Chair, IEEE JUW WIE Student Chapter (Jan 2020 – April 2020, 2021)
 - Affinity Group Secretary and Affinity Group Treasurer, IEEE JUW WIE Student Chapter (2020)

- I had contributed in a week-long virtual event IEEE Singapore Festival organized by the IEEE Young Professionals Singapore and IEEE Women in Engineering Singapore affinity group held in 2020 and 2021.
- I had volunteered in JTech 19' and JTech 20', a technology extravaganza organized by Department of CS and Software Engineering, as a part of event management team.
- I had an honor to showcase my FYP at JTech 21' event and NIB (National Idea Bank), a collaboration to identify and build a repository of innovative ideas for recognition and support, inaugurated by the President of Pakistan, Dr. Arif Alvi.

NETWORKING

Organizing IEEE JUW SATURDAY WEBINAR SERIES have taught me a lot from learning to conduct webinars, getting hang of pre and post event responsibilities, polishing my professional communication skills to interaction with National and International Speakers and building my network along the way. Some of the notable speakers that I have the honor to interact with:

- Mr. Mirza Aijaz Ather, CEO, Eggshell (Pakistan)
- Prof. Dr. Celia Shahnaz Chair, IEEE Bangladesh Section (Bangladesh)
- Dr. Supavadee Aramvith, Region 10 Section & Chapter Committee Chair (2020) (Thailand)
- Dr. Aishwarya Bandla, Chair, IEEE Singapore WIE Chapter (Singapore)
- Mr. Humayun Qureshi, CISA (Pakistan)
- Dr. Lamia Iftekhar, Associate Professor at North South University (Bangladesh)
- Dr. Barbara Covarrubias, founder of platform #virtualspacehero (Austria)
- Ms. Ruqya, Founder of SMILETASTIC (UAE)
- Ms. Mariah Manzano, CEO & Co-Founder of Opal (USA)
- Speakers from Siemens Germany and Italy: Mr. Giorgio Moia, Mr. Tudor Teofanescu, Ms. Sabine Vogl, Ms. Talita Grethel and Ms. Franziska Faltermaier
- Dr Miranda K. Brawn, Founder and President of The Miranda Brawn Diversity Leadership Foundation. (UK)
- Ms. Ayesha Kaleem, Kubernetes Expert at Infinite Devices (Germany)
- Ms. Marriam Ahmed, Mindset, Business & Leadership Coach (Pakistan)
- Ms. Sehrish Rehman, CEO of Woati Labs (Pakistan)

Aqsa Khan

3-G 11/10 Nazimabad no.3 Karachi, Pakistan (+92)03322594436 aqsakhan.libra98@gmail.com

LinkedIn Profile

[linkedin.com/in/aqsa-khan-794370225](https://www.linkedin.com/in/aqsa-khan-794370225)

Objective

I wish I can be a member of a team and utilize my skills and gain experience while enhancing the organization's productivity and reputation. Adept at motivating self and others. Passionate about learning new skills.

Education

GRADUATE in Computer Science

From Jinnah University For Women

2015-2016

INTERMEDIATE, (Pre-Engineering) Govt. College For Women

2014

MATRICULATION, (Computer Science) F.M Public Secondary School

Courses

Object Oriented Programming

Data Structure and Algorithms

Database Systems

Software Quality Assurance

Software Project Management

Artificial Intelligence

Technical (IT) Skills

Languages : HTML, CSS, Java, Python, PHP

Final Year Project

The final year project on which I am working is named as JUW ORIC MANAGEMENT PORTAL, it is a portal in which we give many facilities to its users such as query posting, submitting documents, viewing and creating profile . For the development of this project me and my final year project group members choose Laravel a frame work of PHP ,because it gives too many built in functions. We produced three deliverables of this project which are web app , mobile app and website, for the designing of project we used bootstrap , html and CSS and for the mobile app we used the approach of APK instead of developing a mobile app.

Semester Projects

Criminal Record System in Database Systems

Color Sorter Using Arduino

Website Development of Jtech

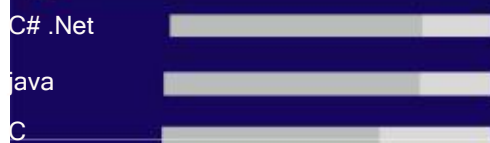

Aquaphonics

Soft Skills

Communication, Team Work, Confidence, Problem Solving, Flexibility, Self Management, Time management

EXPERTISE

Programming Languages:

Web Programming Languages:

Databases:

OBJECTIVE

Looking for a suitable position in Computer related field where I can put my knowledge into practical implementation.

EDUCATION

BACHELORS IN SOFTWARE ENGINEERING

Jinnah University for Women

CGPA: **3.68**

Year : 2014-2017 (Dec)

EXPERIENCE

Software Developer intern for **C#.Net** and **SQA** at **Azure Solutions Pvt.Ltd.**

(Jan'18 to April'18)

Incubatee at **The NEST IO** Aug'18 till now.

AWARDS AND ACHIEVEMENTS

APPRECIATION PRICE WINNER OF 10K FOR PRESENTING FYP

in 3rd All Pakistan DUHS-DICE Health Innovation Exhibition |**23rd December 2017**

IEEE MALAYSIA SECTION CERTIFICATE OF PARTICIPATION on Submitting

Final Year Project "**Brain Controlled Intellectual Wheelchair**" | **10th October 2017**

WINNER OF PROJECT EXHIBITION AT NED UNIVERSITY OF ENGINEERING AND TECHNOLOGY

on developing an Android Application that Analysis real time Brain Signals |**August 26th,2017**

WINNER OF EXTREME PROGRAMMING COMPETITION IN JAVA

organized by IEEE Student branch and WIE IEEE JUW Affinity Group in Jinnah University for Women |**August 2016**

RUNNER UP AT FAST-NATIONAL UNIVERSITY OF COMPUTER & EMERGING SCIENCES

on participating -10 Minutes of Technology, in 'The Developers Day' |**March 2016**

SCHOLARSHIP HOLDER ON MERIT

from Government Of Pakistan Establishment Division |**June 2016 and September 2017**

SOFTWARE PERSONAL SKILLS AND IDE

- Visual Studio 2012 and 2015
- Net Beans
- Android Studio
- Turbo C
- SQL server
- SQL developer For ORACLE
- MS.Office
- Matlab
- Adobe Photo shop
- Free hand 10
- Corel Draw
- Cisco Packet tracer
- Electronic work bench (EWB)

PERSONAL SKILLS

- Good Interpersonal Skills
- Creative
- Fast Learner
- Able to handle work pressure
- Multitasking
- Problem Solving Ability

MAJOR PROJECTS

- **BrainBooster** Web App for disabled people assistance using **PHP** as **Final Year Project**.
- Android App "**Brain Signals Analyzer**" as **Final Year Project**.
- Android App "**Intellectual Wheelchair**" as **Final Year Project**.
- Android App "**Brain Games**" as **Semester Project**.
- Library management System using **C#.Net** (Semester Project).
- Hotel Management System using **PHP** (Semester Project).
- Graphics game Mind grind, using C. language (Semester Project).
- Piano using Matlab software (Semester Project).
- A website on interior designing using Html (Semester Project).
- E-dictionary using **java** language (Semester Project). Student
- database management system using **C#.Net** & SQL (Semester Project).

CERTIFICATIONS

Asp.Net	from Computer	Collegiate Dec 2016
C#.Net	from Computer	Collegiate July 2015
C-Language	from Computer	Collegiate July 2014
Graphics Designing	from Farooq Azam Computer Institute	Dec 2013

Prototyping Tool:	Justinmind Prototyper.

PERSONAL SKILLS

Good intercommunication skills.
Work confidently under pressure.
I'm able to motivate others.
Problem Solver, committed, supportive, team player & result oriented.

QUALIFICATIONS

SIR SYED UNIVERSITY

AI and Data Science, Nano Degree Program (enrolled)

JINNAH UNIVERSITY FOR WOMEN (JUW)

BS in Computer Science 2016

JINNAH INTERMEDIATE COLLEGE

HSC Pre-Engineering

UNIVERSAL GRAMMAR SECONDARY SCHOOL

SSC Computer Science

ACADEMIC PROJECTS

- **Brainamite -IQ Calculator**
Language and Technology used: C Language using Turbo-C
Work contribution: Graphics screens in Turbo C, flow of project and a part in development.
- **Eating Delight Cafeteria**
Language and Technology used: UI: MS Access and **Queries:** MS SQL 2000
Work contribution: Query designing, complete UI design and half of the queries work and report.
- **Mind Game**
Language and Technology used: JAVA and Dr Java and Netbeans
Work contribution: Development, UI Design and Searching and half the report work.
- **Jtech.net Website**
Language and Technology used: JavaScript, CSS3, HTML5 and bootstrap.
Work contribution: Complete frontend and report.

FINAL YEAR PROJECT

- **HealthAID**

HealthAID is a mobile application developed to provide efficient health treatments to its users.

The application is supporting a format of **Clinical Disease Support System CDSS** to make the app more practical in medical platform.

Language and Technology used: JAVA, SQLite3 and Android Studio.

Work contribution: Development, User Interface design, Design Structure (diagrams) and Project report.

EXPERIENCE

Serving myself in a reputed computer institute as IT Faculty. **Duration** April 2017- December 2018.

Responsibilities

- Responsible for teaching the assigned courses.
- Hands-on implementation of programming concepts with up to date techniques.
- Instructing batches for semester projects.
- Internal examiner of semester projects.

RECOGNITIONS

- Awarded Merit certificate as best Science teacher and other academic and overall progress.
- Awarded as Certified Trainer in the skills set of SQL Server 2016, Programming Fundamentals and UI/UX Responsive Design.

EXTRA CURRICULAR ACTIVITIES

- Awarded to be the Ambassador of the event Developer day'15 and 16, Ambassador of the event PROCOM'16.net. (FAST).
- Taekwondo sports player.

CURRICULM VITAE**RAMAL HAFEEZ**

Flat # 904, Anum Vista Flats, Block-L, 5 Star Chowrangi, North Nazimabad

Cell # 0302-3293367

E-mail: Ramal.hafeez1996gmail.com

Objective:

To be a part of progressive organization where I can contribute best for the benefit of the organization, get opportunities for professional as well as personal grooming and enhance my communication and managerial skills and obtain a professional position in the consulting industry utilizing my relevant experience, technical expertise, and problem solving skills.

Personal Information:

Father's Name	:	Abdul Hafeez Khan
Date of Birth	:	26-01-1996
Marital status	:	Single
Gender	:	Female
Religion	:	Islam
Nationality	:	Pakistani

Academic Qualification:

- Bachelors (BS In Software Engineering) From Jinnah University for Women in 2019
- Intermediate (Pre-engineering) From Govt. Degree College Of Block M In 2014
- Matriculation From Karachi Board Of Secondary Education(Science) In 2012

Additional Skill:

- Ms-Office
- Operating System
- Internet Browsing
- Data Base (MySQL) Basic Level
- Programming Languages (C/C++, C#, Java, HTML, PHP, CSS, JavaScript, Python, LISP) Basic level
- Entrepreneurship
- Networking (Basic level)
- Technologies/Environment: Windows, Win32 API/GUI, Linux, MySQL, ASP.NET, SQL lite

Language Skill:

- Urdu
- English

Projects:

Project: Website

Tools used: Html, CSS, PHP, Java Script

Description: working website of no. of pages. CSS is used for styling.

Project: Brick Breaker Game

Language Used: Java

Description: The goal of this game is to guide the ball with the help of the paddle and to hit and remove all bricks. The paddle is controlled by mouse or keyboards arrow keys. If the paddle misses the ball, the game is over.

Project: Analog Clock

Language Used: C

Description: The goal of this program is to show current time. Graphics functions are used to design analog clock.

Project: Art Gallery Management system

Tools used: SQL server and MS Access

Description: In this system no. of tables are created using queries on MySQL and 50+ records are inserted and connected with MS access for designing the layout of management System. This system is for Art Gallery Management System

Project: Book hub Android Application

Tools used: Android Studio, SQL lite, PHP

Description: In this mobile application a book hub is provided with very efficient features like find a book and many more.

Project: Food Collection Game

Tools used: Unity, C#

Description: In this game a person will collect a food from nearest restaurants after collecting 10 items , his bag gets full then , he will go to the home and empty the food bag , when his bag goes empty he will again collect the food.

Project: Smart City SCS: (Still Working)

Tools used: Html, CSS, PHP, JavaScript, Python, Android Studio, Java, SQL Lite, SQL Server, MS Access

Description: Our project Smart City is based on three modules: Secure Entrance (through Smart Sticker and Smart Card), Find your car (through indoor positioning) and Smart Shopping (Using Smart Card).

User Research:

- Contextual Design
- Think Aloud
- Personal Design
- Web design

Design:

- Photoshop
- Illustrator
- Unity
- Flash

Prototyping:

- HTML/CSS
- JavaScript
- MATLAB
- Arduino
- Justin Mind
- Origami
- Mock Plus
- Webflow

Skills:

- Ability to work under stress
- Punctuality and hard work
- Balanced personality

RIDA HAMID

OBJECTIVE

As I choose software engineering field to learn more about computers and its applications that how they are actually build. I want to improve my skills including coding which is considered as a core part of software development, as well as learn more skills including because in this field new innovations come to improve technology and I would like to introduce innovative project related to my field in order to provide best services to people needs. Whatever courses I have studied I want to implement them in the future and to know more about upcoming and powerful technologies.

EDUCATION

General Science | City High School

2011 - 2013

Computer Science | Jauhar College of IT and Management Sciences

2013 - 2015

Learned first programming language C.

Best Student Award

BS(Software Engineering) | Jinnah University For Women

2016 - PRESENT

Short course: Web Design and development

Created website project

Turbocproject: Students Calculated Marksheet

Project (Java): Quiz program

Mat lab Project: 3D Plotting

Database Project: Virtual Learning

Prototype project: E-learning

SKILLS

Mat lab software

Cisco packet Tracer(Networking)

Web Programming

Web Designing

User Interface Designing

MS Office

Object Oriented Programming(Java)

SQL Server Management Studio

MySQL

Electronics Workbench

Python (Basic)

ACTIVITIES

I have great interest in software development and robotics. I have participated in competitions related to my field and participate in the following competitions to improve my skills.

- Certificate of participation on Azam-e- Alishan 2016(JUW) (Web design and quiz competition)
- Certificate of participation on developers day 2017(FAST) (Algorithms Competition)
- Certificate of participation on Procom 2018 (FAST) (Web design and development competition)
- Certificate of participation on COMBAT 2018(PAF-KIET) (UI/UX)

OBJECTIVE

Seeking a challenging position to demonstrate my skills in a dynamic organization where career growth opportunities exist in a way that positively benefit my professional development as well as contribute towards organizational success.

EDUCATION

- BSCS (Bachelors in Computer Science) from Jinnah University for Women.
- Intermediate Passed from Karachi Board.

TECHNICAL SKILLS

- Java
- HTML
- PHP
- CSS
- JavaScript
- MS Office
- Blockchain
- Wordpress
- React Native / ReactJs
- Flutter

PROFICIENCY AND SKILLS

- Keen observer and always seeking for new information and innovations in my respective field.
- Always try to finish all tasks and projects on time.
- Ability to work individual as well as in team.
- Always eager to learn new skills.

CERTIFICATION

- JTech event for best project ideas at JUW (won first prize)
- CryptoChicks Pakistan (3 Day Blockchain & AI Hackathon) at 10 Pearls & Nest I/O.
- Startup Weekend Karachi Women 2019 at Nest I/O (rewarded by special mention).
- Women Tech Quest at 10 Pearls University.
- Techvend at JUW.
- Organizing IAESTE event at JUW.
- Combat'19 for innovative business idea at PAF Kiet University.

PROFESSIONAL EXPERIENCE

- Internship at Systems Avenue for 2 months

Areeba Khalid

5-D, ¾, Nazimabad, Karachi
areebakhalid72@gmail.com
03482098160

A fresh graduate of Computer Science, applying for an internship or job opportunity which will allow me to utilize my problem solving skills in order to further develop my abilities. I am trying to use solid skills in development, collaboration and communication under strong supervision and guidance.

Skills

- Content writing
- Graphics designing
- 3D modeling (3Ds Max, Unity 3D)
- Skilled in MS Office (MS Word, MS PowerPoint)
- Skilled in critical thinking, logic
- Android and website design & development
- Experienced languages: Java, C, PHP, CSS, Html, MySQL, JavaScript
- Able communicator, keen observer & quick learner.

Education

- 2016 - present
BSCS / Jinnah University for Women
Current CGPA : 3.47 (7th Sem)
- 2011 - 2013
SSC / Iqra Huffaz Secondary School
- 2013 - 2015
HSC Pre-Medical / Iqra Huffaz Girls Degree College

Academic Projects

- Created website for university to provide different services within campus.
- Health Mart as a database project to provide new ways for individuals to obtain medicines.
- Basic gaming in Unity 3D.

Final Year Project

We Developed autism learning system called PALS (Pakistan Autism Learning System) for autistic kids with Virtual Reality (VR) experience which provides kids to visit Pakistan's famous public places with story narration of the basic knowledge about places. All 3D models are separately designed in Autodesk 3Ds Max to provide real-time environment.

Honors & Awards

- Got 1st position for FYP for scoring highest marks in Jtec'20 at JUW.
- Our FYP selected from CS department of university for funding from Ignite.
- Got 3rd position for the project Energy Smart Lightening as a product for innovation at JUW.
- Got 1st position for Spelling Bee in Combat'18 at PAF-KIET.
- Certified for participations on different platforms in different competitions.

Activities & Interests

- Android development
- Exploring & Surfing
- Web designing & developing
- Being sociable
- Travelling

CERTIFICATE

- Certification of Participation in UI/UX competition held in PAF Kiet University
- Certification of Participation in Data Science Workshop held in Karachi University UBIT department
- Certification of Participation in One Day Workshop of Software's use by Blind users held in Jinnah University of Women
- Certification of Participation in Multi Computing Conference held in Jinnah University of Women

Brief Overview

Area of Interest :	Information Technology or Web designing and development
Qualification :	Intermediate form P.E.C.H.S.
Objective :	An enthusiastically accomplished and knowledgeable software engineering student with immense knowledge in various courses of software engineering. Looking for an opportunity in the field of information technology as computer programmer or in website designing.

Academic Overview

<u>DEGREE</u>	<u>INSTITUTION</u>	<u>YEAR</u>	<u>GRADES /CGPA</u>
BSSE	JINNAH UNIVERSITY FOR WOMEN	2016-Still Continue	3.87
INTERMEDIATE (HSC)	P.E.C.H.S	2014-2015	A
MATRICULATION (SSC)	Trinity Methodist Girls' Higher Secondary School	2012-2013	A+

Experience

> Fresh.

Technical Skills

<input type="checkbox"/> Programming Languages: Java,Php,Python,HTML5,C,CSS3.	<input type="checkbox"/> Data Base Management: Sql, My Sql, Sql Management Studio.
<input type="checkbox"/> Framework: Bootstrap,JQuery.	<input type="checkbox"/> Microsoft Office: Ms word, Ms excel, Ms powerpoint,Ms Visio,Ms SQL Server.
<input type="checkbox"/> Web Designing.	<input type="checkbox"/> Human Resource Management.
<input type="checkbox"/> Content Writing.	<input type="checkbox"/> Agile/Scrum methodology.
	<input type="checkbox"/> Adobe Photoshop, Adobe Illustrator

Extra-Curricular Activities

<input type="checkbox"/> Participation in MTCC by IEEE JUW SB and IEEE JUW WIE AG SC in 2017.
<input type="checkbox"/> Organized events at Jinnah University for Women.

Skills

>	Excellent communication skills.
>	Excellent Presentation skills.
>	Proficient in teamwork and leadership.
<input type="checkbox"/>	Designing websites and posters.

Personal Information

<input type="checkbox"/>	Father's Name	Muhammad Munaf
<input type="checkbox"/>	Address	Plot BC-9, Flat No. 8, Clifton, Karachi.
<input type="checkbox"/>	CNIC	42301-5943683-8
<input type="checkbox"/>	Nationality	Pakistani.
<input type="checkbox"/>	Religion	Islam.

☐ Reference

<input type="checkbox"/>	Reference will be made available on request.
<input type="checkbox"/>	Image Processing Application On MATLAB.
<input type="checkbox"/>	Mobile Phone Detector.
<input type="checkbox"/>	Online Emergency and Healthcare System on SQL Management Studio (Database).
<input type="checkbox"/>	Chatbot in Python.
<input type="checkbox"/>	Calendar on NetBeans (Java).
<input type="checkbox"/>	Website in Web Designing and Development.

☐ Semester Project's Details

☐ Final Year Project

<p>My final year project name is Augmented Realm in which I used the augmented reality technology. In the project there is 2 modules, 1) Education and 2) Smart Notice Board</p> <p>In educational part the core objective of augmented realm is to inspire learners to study at their own by creating books more interactive. Augmented Realm has developed diverse applications which offers description in Urdu, explanations with animations, quiz after each segment and overall result that shows learners their evolution. Originally augmented realm has covered four different course book which comprises: Ilm-e-Deen Nizam Education Society Registered (Islamiat), Countdown Second Edition Oxford (Mathematics), Aao Bachon Urdu Seekhain by Qamar Ahmed Ali Khan (Urdu) and Computer Science for Class 9 (Sindh Textbook Board Jamshoro). For implementing augmented reality we have used Unity 3D software and for quizzes along with their result we have used Android Studio. In the last phase we have merged these applications to provide one single application for user.</p> <p>In Smart notice board, augmented realm had implemented augmented reality on university notice boards such as users will transfer their mobile camera to any AR marker of that notice board and all the information of everything existing on the board will appear via augmented reality. Entire AR objects of Smart Notice board has been kept in database for which Admin panel is developed. The AR objects for any AR marker can be updated through Admin panel.</p>
